Dairyland Outdoor Veterans

Mission Statement

The organized unit of the Dairyland Outdoor Veterans Retreat shall be a community of individuals whose purpose is to serve American veterans by developing and operating a retreat center facility and campground in the Town of Dairyland, WI. All veterans and their families are welcome. Experience a healthy recreational setting.

*Our great country's military
veterans deserve a peaceful place
to relax and recover.*

Who Are We?

The Dairyland Outdoor Veterans Retreat

...is a non-profit 501-c3

Charitable Organization organized to build and maintain a recreational and educational facility in the Town of Dairyland, WI.

The Board of Directors meets every third Tuesday of the month. The public is welcome. We encourage them to attend and to be active on committees and in many exciting activities during the year. Check our website and facebook page for exact dates and times. We will also post the dates for special meetings there.

Board of Directors and committee members are all volunteers. Elections are held each year in the spring.

Join us on Facebook at **Friends of Dairyland Outdoor Veterans Retreat** or follow us website at <http://dairylandvets.org/>

Our Vision

...is to build the DOVR facility at

the Radigan Dam site where we have fourteen acres of pristine woodland in Dairyland, WI which is located 18 miles north of Danbury and 37 miles south of Superior, WI. The forests here contain lakes and rivers that are home to a rich diversity of wildlife. While carefully preserving the natural surroundings, we are creating wilderness campsites, RV pads, 2-4 bedroom cabins and a large lodge to accommodate respite care level veterans.

Our Purpose

... As the DOVR is to serve American veterans by developing and operating a retreat facility and campground in the town of Dairyland, WI. It will be open to all veterans and their families to experience the outdoors in a healthy recreational setting. Veterans from all service branches; those that are active, non-active, or retired including those with disabilities are invited to use the facilities.

Breaking Ground the military way. Fall 2012

We have pavers available to be placed in our Welcome Garden. Call or Email using the info on the back page .
